The mandate of Brant Studio Tour artists is to promote original visual art. By opening our studios for the annual tour, we invite you, the public, to view the process of our art making from inception to end product. The tour enables you to ask questions and, if you plan to enhance your home environment, purchase artwork directly from the artist.

#### Missed the Brant Studio Tour?

Don't worry, all artists welcome interested parties into their studio spaces throughout the year. Please contact the artist directly to make an appointment.
